12:00 – 1:15

- A. Lunch
- B. Committee interest survey – Paige passed around a committee interest survey for board members to fill out. According to the by-laws, the chair assigns committees. The committee interest survey allows board members to reflect their interests and the chair can assign committees while taking any conflict of interests into account.
- C. Review Mission/Vision statement – Billie Wille read the Mission/Vision statement of the board.
- D. PAK Empowerment Priorities – Activity – Poster boards with Community Plan priorities were placed around the room. Board members listed programs we currently fund that work toward our priorities. After listing currently funded programs, board members were asked to identify gaps or to note any other ideas that could be used toward meeting priorities. The board discussed how we could collaborate with some of the ideas even in lieu of funding cuts.
